

The Ten Lepers

Jesus was on His way to Jerusalem and was passing through Samaria. He met ten men who were lepers. A leper is someone who has a disease called leprosy, which is a contagious skin disease. They lifted up their voices and said, "Jesus, Master, have mercy on us!" Jesus saw them and told them to go and show themselves to the priests. As they went away, they were cleansed of their leprosy. One of them returned to Jesus to thank Him for healing him. He glorified God with a loud voice and fell down at Jesus feet, giving Him thanks. Jesus asked him where the other nine men were. Jesus was happy that this man came back and was thankful for being healed. Jesus told him, "Arise, go your way. Your faith has made you well. We should always be thankful for our good health. Story found in Luke 17:11-19.
