

# Jesus Washes Disciples Feet

Jesus and His disciples had just finished the Passover feast. Jesus knew He was going to the Father soon. He then rose from supper, took a towel and got a bowl of water. Jesus started to wash the disciples feet. He came to Peter, and Peter said, "You will never wash my feet." Jesus told him "If I do not wash you, you have no part with Me. Then Peter told Him to wash his feet, hands, and head. Jesus was giving His disciples an example that they should also be a servant and serve others. Story found in John 13:1-17
